Division Split Rules:

We follow the USASF guidelines for COMBINING and/or SPLITTING divisions, with the aim to provide the best competitive environment. With respect to this event being a Global event, whenever possible, there should be at least 3 teams in any given division and level.

SIZE SPLIT: Where a division has 10 or more teams, the division will be split by team size, but only if that split results in at least 3 teams being in that division. First we look for an Extra Small split (16 or less athletes) and if this is not possible then by Small (22 or less athletes) and then by Large (23 or more athletes).

COED SPLITS: For Senior Divisions Levels 3 to 6 a coed split will occur where there are 3 or more coed teams in a division.
